

**Future Human Signature Research Theme
2022-23 PhD Studentship Sandpit Application Form**

Name:

Email:

Division:

School/Department/Centre:

Three keywords representing your research interests:

1. Please provide a short paragraph stating an overview of your areas of expertise interest and experience. (150-word limit)

2. Give examples of interdisciplinary projects in which you have been involved, indicating what value interdisciplinarity brought to your approach. (150-word limit)

3. How would you envisage a supervisory team integrating interdisciplinary inputs into a PhD project? Feel free to illustrate your comments with a specific example. (150 words)

4. Aside from a PhD studentship/funding, what would you anticipate getting out of attending the sandpit? (150-word limit)

Please email your form to futurehuman@kent.ac.uk with the subject heading 'Future Human PhD Sandpits' by 9:30am on Wednesday 28th September.
